Areas for Improvement

- Income
- Economic Modernisation
- Laws and Regulations

Laws and Regulations

- Accountability
- Transparency
- Guarantees
- Equal Opportunities

Lack of Information

Need for more marketing:

- Official receptions
- Milkround and university visits
- Emphasis on the family friendly state

Syria, the Family Friendly State

Positive attributes:

- Real estate prices and housing affordability
- Lifestyle
- Environment for raising children
- Safety

Leveraging the Internet

- Regular data feeds
- Maintaining a website
- Establishing a link agency

Conclusion

Syria has considerable brain power and potential stored overseas.

To use it, there must be necessary improvements in the areas of:

- **Income**
- **Economic Modernisation**
- **Laws and Regulations**
