

LELIJVELD
DAUDI

Vice Chairman

National Sugar Company of Syria

Tel: +41 22 703 2648

Fax: +41 22 703 2900

Education:

Geologist (Bsc Honours Biology and Geology)

Experience:

After ten years working in Africa in various managerial functions both in the Petroleum Exploration and Transportation fields, Daudi Lelijveld joined Cargill in 1994 and has since then held managerial posts in three of its divisions – CIS (Cargill's Commodity Brokerage Division); SBD (Cargill's in-house Management Consulting Division) and Cargill Sugar.

In Cargill Sugar, Daudi Lelijveld is responsible for the development of the global asset base and its management with the exception of Brazilian Projects. It is in this light that he is on the Board of the National Sugar Company of Syria as the Vice Chairman. He is also on the Board of Zucarmex in Mexico a domestic sugar milling group and on the Board of Silkroad Sugar Private Limited a sugar refining business in India.
